November 1, 2025

Dear High School Guidance Counselor,

I would like to ask for your assistance in distributing the enclosed application for our 2025-2026 American Society of Civil Engineers Montgomery Branch Scholarship.

This year, the Montgomery Branch of ASCE will be awarding a \$3,000, \$2,500 and \$2,000-dollar scholarship to three graduating high school senior's planning to enroll in civil engineering. This organization wishes to recognize key individuals who actively participate in extra-curricular activities and/or community service while excelling academically.

In order for a student to be eligible for this scholarship, they must be a graduating high school senior planning to enroll in civil engineering and enrolled in a high school in the geographic area of the Montgomery ASCE Branch. This area includes Autauga, Elmore, Lowndes, and Montgomery Counties.

You may make as many copies of the application as you need. If you have any questions, please contact the Scholarship Committee Chair, Ms. Cameron DuBois at duboisc@alabama-asce.org or 334-242-6885 or visit our website at <https://montgomery.alabama-asce.org/branch-scholarship/>. The application form must be received (postmarked / emailed) by the Scholarship Committee Chair on or before March 2nd, 2026. Awards will be announced in March, and winners will be recognized at the Montgomery ASCE Branch Meeting on April 14th, 2026.

If you would like for members of our branch to come and give a brief presentation to students interested in Civil Engineering, we would be glad to schedule that in the next few months. Please contact Cameron DuBois to schedule a time to meet if you are interested.

Thank you in advance for your help in making the Civil Engineering profession stronger by helping our future engineering leaders!

Sincerely,

A handwritten signature in black ink that reads "James F. Boyer".
